

PART 5: IDEAL FAMILY: Echo

When it comes to family, actions speak louder than words—they echo into the next generation. Your children and grandchildren may forget what you *say*, but they'll never forget what you *do*.

DISCUSSION QUESTIONS

1. Growing up, what stories did you hear about your grandparents or great-grandparents? How did those stories help shape who you are?
2. **Read Genesis 42:5-7.** How do you usually respond under pressure? Why?
3. What would you do differently if you knew that your children will eventually take their cues from what you do rather than what you say?
4. What is one thing you can do this week to begin to change how your life will echo in the lives of your children, grandchildren, and great-grandchildren? What can this group do to support you?
